Enforce Security

(832) 367-3429

To the new owners of WAHOA, we would like to extend a warm welcome and look forward in working together to further improve our community. When you purchased your new home, you became part of the West Airport Homeowners Association, Inc. This means there is a partnership between owners with a common goal to improve the community value. Active, involved and concerned residents are essential to create a strong community in any homeowners association.

It is important to learn and understand the established Association rules by visiting www.randallmanagement.com, then selecting West Airport. All Association documents are downloadable.

It is important that you contact Randall Management and make sure your home is in compliance with HOA rules and that your property's account has a zero balance. By doing so, you may prevent future issues with the Association. See page 5 for online payment instructions.

Patrol Service

Enforce Security patrols our community and is available to our residents. The officer has done a great job in reporting issues to the city, police and Association. The officer is available during patrol hours by calling (832) 367-3429.

Vacation Watch is also available by scheduling with the officer at least (7) seven days in advance.

Vehicles Parking on Streets Inconsiderately

There have been issues with vehicles blocking other residents driveways, trash cans and mailboxes. If you have your vehicles or your guests vehicles parked on the street, please make sure that your neighbor's mailbox, trash can are not blocked. Another issue being reported is several residents are not able to safely reverse from their driveways due to vehicles parking across from their driveways or driveways being blocked. Therefore, possibly causing unnecessary accidents. Please do not block trash cans on trash pick up day or block a neighbor's mailbox. It is very irritating for your neighbor to arrive and see that their trash can was not picked up due to your car blocking access for pick up. Please be a considerate neighbor and be aware of the issues your vehicle may cause.

Overgrown or Dead Trees in the Community

It has been brought to the Association's attention that several trees are overgrown and blocking street lights causing dark areas in the community. Spring is here and the dormant trees have started to bloom and regrow their leaves. This is a good time to look for dead trees. We ask owners to survey their trees on their property for trimming or removal. The Association will be inspecting for overgrown trees that are blocking the street lights, and trees hanging over the sidewalks.

Spring, the time for planning of projects...

Maintenance

Protect One of Your Most Valuable Investments By Developing a Consistent Maintenance Schedule

City Permit - We urge all owners to contact the City of Houston Permitting Department to verify if your projects require permits. Structural changes, several types of fences, projects using steel and masonry material, in-ground pools and solar panel installations are just a few that require permits. It is each owners responsibility to obtain the proper permits. To speak with a city Project Planner about your project, call (832) 394-9000 or email at houston.permittingcenter@houston.tx.gov or visit houstonpermittingcenter.org to submit a permit request or to check the status of a permit/inspection.

Painting - It is important to put a good coat of paint on your home. This means painting every four years on average depending on the quality of the paint. Painting obviously improves the appearance of your home and protects your wood from the elements reducing rotten wood. Don't forget your ACC application, which must be processed and approved first! To obtain the ACC Application visit www.randallmanagement.com.

Pressure Washing - Pressure washing may be an alternative to painting and a cheaper way to improve the appearance of your home. The dirt and grime that builds on your home may cause long lasting damage. Cleaning regularly may assist to preserve your paint coat and prevent mold and mildew build up.

Gutters - Gutters need to be cleaned out on a regular basis. Gutters that fill with water and do not drain properly need to be cleaned. The extra weight will cause the gutter nails to become loose and the gutter will sag or fall from your home. Gutters are important to protect the fascia boards which will rot more rapidly without the protection of gutters.

Landscaping - Shrubs, and seasonal flowers add a great deal to the value of your home and the community. This is the time for planting flowers and sodding to brighten up your home. Please remember that over time, shrubs can become overgrown and deter from your home. Please keep your landscaping trimmed so that it enhances your home and does not cause unnecessary deed violation notices.

No Fruit or vegetable plants may be planted in the front of the home. The Association has received several complaints of overgrown fruit/vegetable plants. The main concern is that the overgrowth has caused issues with safely walking or driving in the community. If you currently have fruit/vegetable plants, you will be required to keep them trimmed.

Driveway and Walkways - Areas that get overlooked are the driveways and walkways. It is recommended to conduct annual or semi-annual inspections of your driveway and walkways. Areas in distress, with cracks, uneven sections, and trip hazards should be inspected. Filling in cracks is important to prevent further deterioration of the driveway. Over time, water and dirt fill these cracks, causing cracks to deepen and expand. Look for trees that may be nearby to determine if the roots are causing damage to the driveway, walkways and/or your foundation. If replacing the driveway or sidewalks, please submit an ACC Application prior to making the improvements.

ACC Committee

Please don't forget to submit your ACC application before making a change to the exterior of your home. The ACC Committee tries to process the applications as quickly as possible. Supplying the specifications of your improvement and a sample or detailed list of materials to be used will also help speed up this process. If you need an ACC applications, you may visit www.randallmanagement.com.

The West Airport Yard of the Month Program is designed to reward the owners that do such a great job on their landscaping. If you have a home that you would like to nominate for this award, you may submit the address by e-mailing Imelda Garza at igarza@randallmanagement.com.

Yard & Garage Sales

Yard Sales will commence July 2022 and requires registration with the Association in advanced. To register your yard sale with the Association, you must call Marqueeta at (832) 702-4782 or email mclark@randallmanagement.com to request and complete the registration form. The registration form must be filed with Randall Management no later than a week prior to your scheduled sale.

Each home may hold up to two (2) yard sales days per year. Residents who hold more than two (2) sale days per year, will be considered as running a business out of their home. Therefore, residents will be reported to the State Comptroller's office as a business by calling (713) 426-8200. Once you are reported as a business, you will be required to obtain a permit and pay taxes on all sales. Note, running a business out of your home is a deed violation and subject to \$75.00 fines and legal enforcement.

Yard Sale signs may not be placed on the esplanades and all signs must be picked up after each sale. Note, District K drives on Saturdays and picks up any signs not properly placed.

Neighborly Reminders

1. *Be a Responsible Pet Owner*

There are health risks to you, your neighbors and their pets when you do not pick up after your pets. By not picking up after your pets, you are allowing for possible parasites, viruses like the Parvovirus to spread. The sooner the dropping is picked up, the less chance there will be a pet or person coming in contact with it and spreading disease.

2. *Pets Must Be Leashed*

The Association has received numerous reports of loose dogs and cats on property. Dogs and cats may not run at large in Houston. Running at large means going on public or private property without the owner or another person having direct physical control of the animal. An animal on a leash is considered to be under direct physical control of a person. When animals are not on a leash they must be otherwise restrained either behind a fence or in some other enclosure that will prevent their escape. Running at large may result in impoundment of the animal or the issuance of one or more citations from the city! If you see any dogs or cats roaming the neighborhood, please call 311 or (713) 229-7300 to report the animals to BARC. If you see a resident with their pet without a leash or not picking up their pet's droppings, please report them to Enforce Security Services at (832) 367-3429 and Randall Management for enforcement.

3. *Report Vandalism and Suspicious Behavior to the Police*

Report vandalism at the common areas and keep an eye out for your neighbor's home, yard, and cars. If you see suspicious individuals or activity, please call the Enforce Security at (832) 367-3429 and HPD at (713) 884-3131.

4. *Drive Slow & Watch for Pedestrians*

Drive Slowly Through the Subdivision and Watch for Children

There have been several complaints of speeding throughout the community. Please take the time to drive slowly through the neighborhood. It is also important that you instruct your friends and visitors to also be cautious and drive slowly while in our community. If you would like to assist your community and know someone that speeds through the neighborhood, please report them to Randall Management and the police.

5. *Stop At the Stop Signs*

Always stop at the stop signs. This law has no exceptions!

6. *Ask Guests to Park in your drive or in front of your own home.*

In the event that you are having a large family gathering or a party, it is always best to keep your neighbors updated so that they will know the approximate time the event will end. Please make sure that you or your guests are not blocking your neighbor's driveway. It is very frustrating to your neighbors when they can't back out of their driveway.

7. *All Cars Must Be Operable at All Times. All Tires must be inflated and Display a Current Registration.*

Only light mechanical work is allowed such as changing your tire and jump starting your vehicle. Please make sure to clean up oil from the driveway.

Vehicles that are inoperable or seemed to be abandoned, will be reported to the police for enforcement.

8. *No Farm Animals Allowed*

No animals, livestock, or poultry of any kind shall be raised, bred, or kept on any lot, except dogs, cats, or other household pets. Household pets may be kept, provided that they are not kept, bred or maintained for commercial purposes. Legal action will be taken against violators.

9. *No Businesses Allowed*

Some homeowners are operating business in their home. Per the Deed Restrictions, All homes shall be used for single family residential purposes only and not for businesses, professional, commercial, or manufacturing use. Please know their are repercussions.

10. *Mosquito Control*

The Association has a Mosquito contract to spray the subdivision once a week during the months of June through October. We ask that you do your part by eliminating standing water on your property.

11. *Maintaining Your Yards*

Deed Violation letters are frustrating, but they do help improve the appearance of the neighborhood. Take pride in your home and properly maintain the home and yard. There is a lot of weeds needing removal, trees and/or bushes needing trimming in the subdivision. Consider installing a sprinkler systems for the summer's dry hot weather. Please remember that an ACC Application is required for sprinkler system installation.

See page 2 regarding fruit and vegetable plants.

Items of Note

West Airport is Part of the Brays Oaks Management District

located on 10103 Fondren Rd, Suite 300
Houston, Texas 77096
Tel: (713) 595-1221

Community Meeting Schedule

Super Neighborhood #36
1st Tuesday, 6:30 PM, Braeswood Assembly of God,
10611 Fondren Rd., Houston, TX 77096

Brays Oaks CERT
2nd Monday, 7:00 PM, 10810 Braesridge Dr.

Positive Interaction Program Meeting (PIP)
2nd Tuesday of each month
7:00 PM at 13097 Nitida

Many property owners, business owners and residents, even within the Brays Oaks District, know little about the quasi-governmental entity that is helping their community become a desirable place to live, work and play. The information below helps fill that need.

Purpose - The Brays Oaks Management District encompasses 14.4 square miles and is one of 28 management districts in the Greater Houston Area. The District comprises parts of City Council Districts J and K and Harris County Precincts 1 and 3. Super Neighborhood 36 (Brays Oaks) lies entirely within the District along with parts of Super Neighborhood 30 (Braeburn) and 37 (Westbury). The purpose of the District is to enhance the physical, social, and economic wellbeing of the community it serves. The District is empowered to finance services and projects related to public safety, mobility and transportation, environmental and urban design, and business and economic development. The District is managed by an all-volunteer board of directors which meets on the third Tuesday of the month at the District office. Board meetings are public meetings and visitors are welcome to register and speak on matters of interest or concern pertaining to the District. The board is supported by a staff of specialists who perform administrative functions under the board's direction. Service, Improvement & Assessment Plan All activities of the District are guided by a Service, Improvement & Assessment Plan. The original plan, approved by the District board in 2006, was a 7-year plan. This plan expired in 2012, at which time a new 15-year plan was prepared and adopted. The plan focuses on seven areas: • Business & Economic Development • Environmental & Urban Design • Public Safety & Security • Marketing & Public Relations • Mobility & Transportation • Education • Flood Control.

The Board of Director meetings are scheduled on the fourth Wednesday of each month except for February and December. Due to COVID-19, meetings are held by Zoom. If you would like to address the Board with any personal concerns, please contact Imelda Garza at Randall Management in advance to be placed on the Agenda schedule.

Board Meeting Schedule for 2022:

January 26, 2022	July 27, 2022
*February 16, 2022	August - No Meeting
March 23, 2022	September 28, 2022
April 27, 2022	October 26, 2022
May 25, 2022	November - No Meeting
June - No Meeting	December 7, 2022

Items of Note

City Council - District K Meetings and Committees

The City Council is the City's legislative body, with the power to enact and enforce all ordinances and resolutions. Houston City Council meets every Tuesday at 1:30 p.m. and Wednesday at 9 a.m. in the Council Chamber on the second floor of City Hall. The Tuesday sessions are devoted to public comments and concerns, while the Wednesday sessions are for matters that require council action. All meetings are open to the public. The City of Houston City Council agenda is published on Friday afternoons and details the actions that Council will consider the following week. You may also watch the meetings live online at houstontx.gov/htv/. You may visit District K website at <http://www.houstontx.gov/council/k/> for details.

Capital Improvement Projects

To review a list of current projects and completed projects for District K, please visit <http://www.houstontx.gov/council/k/cip.html>.

To sign up to District K Martha Castex-Tatum Council Member's Newsletters, please email: districtk@houstontx.gov

2022 Annual Assessment Reminder

Just a quick reminder! If you have not paid your assessments please be aware that collection fees are being charged to your account each month. Please contact Randall Management at (713) 728-1126, Option 1 to set up a payment plan and prevent further collection fees.

Assessment Payments

There are several options available to make your assessment payments. One is by visiting www.propertypay.cit.com and making a one-time online payment. There is no service charge for payments made through your checking account. The payment will be deducted from your bank account on the same day, if submitted prior to 3:00 p.m. If you would like to utilize your credit card, you may do so for a fee as stated on the website. Please allow Randall Management two (2) business days to post the payment onto your account, as the payment is digitally sent to RMI the next business day.

E-check or Credit Card Procedure

To begin the process, please visit the CIT Bank website at www.propertypay.cit.com, then click on "Make a Payment", and you will need to provide the following information listed below.

Management ID: 3053

Association ID: WA00 (zeros not letters)

Property account: (listed on your statement)

Account Balance: (\$ amount, call RMI for balance to submit)

If you need assistance with the online payment, please call [1-866-800-4656](tel:1-866-800-4656).

If you need to set up a payment plan, please contact our Accounts Receivables Department (713) 728-1126, Option 1, or email at collections@randallmanagement.com or collections4@randallmanagement.com.

See page 7 for details on penalties charges.

Download the 311 App on your smartphone or call 311 to report requests for specific city services like pothole repair, traffic signal malfunction, sewer concerns, inoperable and abandoned vehicles on the streets and neighborhood complaints, by creating a Service Request in 311's Service Management system.

Important Information

Trash Services

Trash is picked up every Thursday. **Trash cans visible from the front of your home before or after the allowed pick up times are against the City Ordinance and subject to a citation.** "Heavy Trash" is picked up on the 3rd Thursday **EXCEPT** for Section #6 (8600 Candlegreen, 8600 Dawnridge, 12000 Arrowhead Glen, 12000 Pecan Meadow, 12000 Merewood Ln.) which would be the 2nd Friday of the even months (**February, April, June, August, October and December**). **Tires and Refrigerators are not picked up with heavy trash.** The "Tree Waste" is also picked up on the 3rd Thursday **EXCEPT** Section #6 which would be the 2nd Friday of the odd months (**January, March, May, July, September, and November**). "Tree waste" is defined as clean wood waste such as tree limbs, branches, and stumps. Heavy trash should not be left out for the entire month that tree waste is scheduled. It must be removed and put out at the appropriate time. Trash should be placed on the curb no earlier than 6:00 p.m. the night before pickup and before 7:00 a.m. the morning of pickup. Trash containers, lawn clippings and other debris should be stored out of public view except when at the curb for pickup during the designated hours. Trash cans need to be out of view after pickup within a 24 hour time period. Please contact 311 to confirm your scheduled pick up days. If junk waste/heavy trash is placed at the curb at any time other than on the scheduled date, Homeowners are subject to a \$275.00 fine by the City of Houston officers. If the fine is not paid, your Texas Driver's License will be subject to non-renewal. Trash signs will be out the Friday before **Heavy Trash** and **Tree Waste** days. **If there are grass and leaf bags placed out for pick up and are not approved by the city, they will not pick up any bags.**

City has experienced delays with Heavy Trash removal. In the event of a missed pick up, owners must remove Heavy Trash items out of view or you may be subject to a city citation

Before placing trash out, call 311 or visit www.houstontx.gov/311/ or obtain the 311 App to confirm your regular and heavy trash pick up schedule.

West Airport Collection Policy

- Assessment Fees for West Airport are due on January 1st of each year.
Note: At any time the owner establishes an official payment plan, the late charges will Not be accrued as long as the correct monthly payments are submitted on time.
- If not paid in full by January 31st, a collection fee of \$25 will be assessed on February 1st. For the remainder of the year, a \$25 collection fee will be assessed on the 1st of each month, March 1st – December 1st for all accounts that are not paid by the last of the preceding month and shall bear a monthly interest of 9.5% per annum.
- In addition, the owners that have not paid by March 15th will receive a certified demand notice and will receive a \$15 Mail Processing Fee.

**Attention Homeowners with
Delinquent Accounts!**

Owners with financial difficulties should contact Randall Management at (713) 728-1126, Option 1 to setup a payment plan to avoid legal action. Owners who were current and only owe one year Assessment's may be eligible to set up a payment plan and all owners who owe more than one year will be reviewed for legal collections.

There are two ways to avoid additional fees

1. Pay Assessments on time each year.
2. Establish an official payment plan with the Association.

Procedures for Deed Restriction Case Violation Notice and Implementing of Fines

Effective May 1, 2010, the fining system will be enforced. Please contact Randall Management for any deed restriction violations that are not corrected and prevent costly fines. The cost of the violations will be \$75.00 per inspection if the violation is not corrected. In order to keep the legal cost down the Board of Directors had to implement the fining system. Below are the steps that will be taken:

The Owner will be sent a First Notice courtesy letter upon inspection of a violation requesting immediate cure of same. If the violation is not cured within 10 days from the date of the letter, the Owner will be sent a Second Notice.

The Second Notice will advise the Owner that a violation fine totaling \$75.00 will be imposed on the Owner's account should the owner fail to cure the violation. This letter will comply with notice requirements set forth under Texas Law including, but not limited to, the Texas Residential Property Owners Protection Act, and will advise the Owner that the Owner has the right to request a hearing before the Board of Directors. Said request for a hearing must be received in writing within 30 days from the date of the receipt of the letter. If said violation is not cured within 30 days from the date of the receipt of the letter or a hearing date has not been established, the Owner will be sent a Third Notice.

The Third Notice will impose an additional violation fine totaling \$75.00. This letter will also advise the Owner that the Owner has the right to request a hearing before the Board of Directors. Said request for a hearing must be received in writing within 15 days from the date of the letter. If said violation is not cured within 15 days from the date of the letter or a hearing date has not been established, the Owner's file will be sent to the Board of Directors for attorney referral and review of each violation.

West Airport Homeowners Association, Inc.

(WAHOA)

Appreciation

The Board of Directors would like to thank all the homeowners who have paid their Assessments on time and who have complied with the Deed Restrictions. Working together only ensures that West Airport heads to the right direction.

2022 Annual Meeting

The Board of Directors would like to extend a "Thank you!" to all who attended the Annual Meeting and assisted in obtaining a quorum for 2022. There were three positions up for elections, and two positions ran unopposed.

A Big Welcome and Congratulations to Donald Scott, Angela Brown & Denise Warren for volunteering on the West Airport Board of Directors!

ACC Committee Needed

With the legislative changes in 2021, the ACC process has changed. The Association is calling for volunteers to participate in the ACC Committee. The committee will require three (3) volunteers. Owners that are interested in volunteering on the ACC Committee, please submit your name by email to wa@randallmanagement.com.

The Board of Directors Would Like to Wishes Everyone a Happy Spring & Easter!
