All exterior modifications to your property must be approved in advance by the ACC (Architectural Control Committee) of your homeowners association. The ACC will review your request to make sure that the improvement is consistent with the deed restrictions and compatible with the overall character and aesthetics of the community. Please provide as much detail as possible so that the ACC members will properly understand your request. Without a complete description of your request, the application will be temporarily denied and returned pending receipt of the additional information requested. After you have completed this form, please return it along with specifications, material samples (if appropriate), plot plans, and/or drawings to Randall Management. Thank you for your cooperation and for complying with your Association documents.

The ACC Committee has thirty (30) days from the date of receipt of an application in which to respond. No construction should begin prior to approval. Therefore, applicant should allow proper time for the approval process. Thank you for your cooperation and for complying with your Association documents.
